PROTECT OUR CHILDREN BY HELPING THE LOCAL EFFORT TO END HUMAN TRAFFICKING

Orlando ranks #3 in the COUNTRY for calls to the national human trafficking hotline, the most calls per capita for any city in the State of Florida.

FLORIDA ABOLITIONIST is a local non-profit organization that facilitates preventative and restorative solutions to combat this crisis and help those affected. On Saturday, May 12, our community will be hosting an event to benefit Florida Abolitionist and promote awareness among parents about this devastating issue.

Keeping our children safe starts at home, and strong family relationships are vital in preventing compromising situations.

The event will be a community party, giving parents and children an evening to have fun together. There will be live music, food trucks, a family movie night, and activities for the kids.

The goal of the event is to raise funds for Florida Abolitionist while providing parents with more information on warning signs, how to look for suspicious behavior, what conversations to have with their kids, and how to get more involved.

We need YOUR HELP to make this event a success. There are several ways you can provide assistance. Anything you can do will be much appreciated, and will help us spread awareness and keep our kids safe!
